

This record is in accordance with WINS QMS Manual and WINS Staff Development Procedure: [QMS WINS Quality Management System Manual.docx](#) and [P19 WINS Supplier Evaluation Procedure.docx](#)

Name of the WINS workshop/event: The Central Role of Nuclear Operators in Implementing the Convention on the Physical Protection of Nuclear Material (CPPNM) and its Amendment

Name of the presentation: CPPNM

WINS would like to make your presentation, or a revised version of it, available (as a PDF) on the Members Area of its website and, whenever adequate, disseminate it to its Members and to other relevant nuclear security stakeholders. If you agree and grant WINS permission to do so, please sign **Agreement #1** below. If you DO NOT agree, please sign **Agreement #2** below.

### **Agreement #1:**

I grant WINS permission to make my presentation/a revised version of my presentation available on the Members Area of WINS's website and to disseminate it to its Members and to other relevant nuclear security stakeholders.
